Our cancellation policy: a \$50 fee will be assessed (or deducted from your plan) for cancellation within 24 hours of your appointment.

**I understand that Clarity Coaching is not therapy; I will learn very simply how to ask myself 4 questions which may produce new perspectives as I answer them. I take full accountability for my well-being, and understand that any changes in my life are the result of my choices. It is my own commitment to my personal development which can bring me the growth I desire.**
